## Kaylene Ledgar S P E A K E R

Kaylene believes “You don't need to fear speaking; speaking is a learned skill and you can master it.”

Having struggled with a fear of talking to a group of two or more, Kaylene was able to build her confidence and find her own authentic voice. Her transformation is attributed to her passion for learning and challenging herself to face her own fear.

Kaylene is now a coach, speaker and author. By uniting her passion with her values, Kaylene has unlocked her true path.

An inspirational speaker who will entertain, educate and empower you to face your fear of speaking and unleash the speaker within.

Kaylene's presents her signature topics as keynotes and workshops:

### BUST YOUR FEAR OF SPEAKING

- Face your fear
- Speaking without fear
- Speaking is a learned skill

### UNLOCK YOUR STORY TREASURE CHEST

- Find your story
- 6Cs of storytelling
- Bring your story to life

### CRYSTAL CLEAR SPEECHES

- Uncover your message
- The right package
- 3Ps of speaking

*“Professional, eloquent and articulate, Kaylene is a top speaker and presenter, who enthralls audiences with her style. Kaylene's coaching style is transformational and I would recommend her to all who want to become the best version of themselves.” ~ David A Hughes, Speaker and Facilitator, I Can Do Words*
